A T R I B U T E

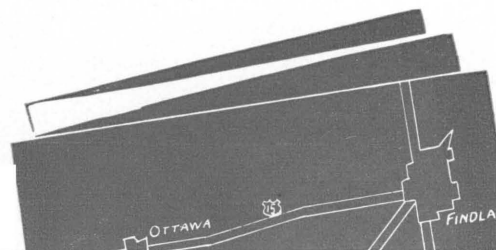

The 1938 NORTHERN honors Dr. George W. Crile, an eminent surgeon of the Cleveland Clinic. He is a graduate of Ohio Northern—one who has won international renown; and his extensive travels in connection with his work has certainly made him a map-maker. Dr. Crile was born in Chili, Ohio, in 1864. He got his A.B. degree from Ohio Northern in 1884, and before his formal education was finished, he had attended universities in Vienna, London, and Paris. Dr. Crile was stationed for some time in Cuba and Porto Rico. He saw medical service in France in 1917, and has been awarded honors by both France and Great Britain. He has been given medals and prizes for public service by many societies as well as Columbia University and the city of Cleveland. He has written many volumes dealing with medicine and surgery. Dr. Crile had just returned from a Northern trip when the editor wrote him concerning this tribute. His letter to the editor ended in this manner:

"Our Research expedition to the North has been completed very successfully, and we were able to collect a very satisfactory number of animals to be used in our research work."

THE HIGHWAYS AND BYWAYS OF LIFE AND LEARNING.

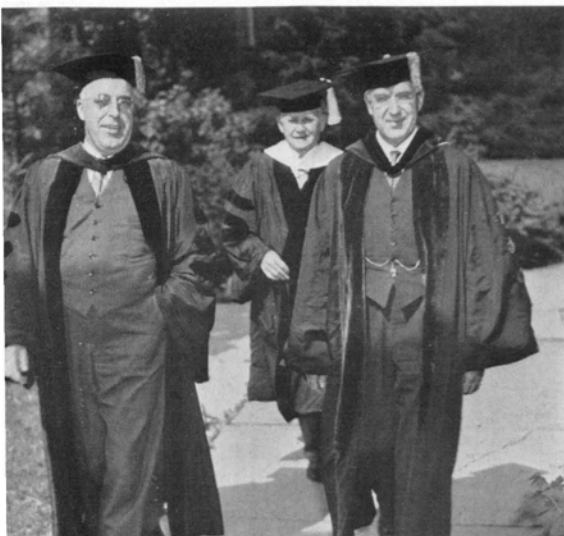

Our president, Robert Williams, is also a first rate map maker. When the many important duties which face him at Ohio Northern are discharged, he is ready to go out into the highways and byways of life and learning and address groups, deliver sermons or publicize Ohio Northern as the occasion demands. But Dr. Williams does not spend all his time disseminating knowledge. Last summer he spent seven weeks abroad, and from his chapel discourses one can readily see his mind is not confined to a single road. His views and remarks are definitely those of a well educated man broadened by travel.

Dr. Williams seems to be concerned with the map of Ohio Northern University from two points of view: its present and its future! He strives to make our institution one which may take its place among the other schools scattered over the United States. And he, with others' help, is succeeding. As for the future, we are constantly mapping a larger program, and we are assured our plans will be realized.

COLLEGE OF ENGINEERING

The graduates of Ohio Northern's College of Engineering are employed all over the world. Besides holding positions of trust and responsibility in the United States, our Engineers may be found on the map in such far-away locations as Germany, South America, Porto Rico, the Philippine Islands, India, China and Persia.

COLLEGE OF LAW

Graduates of Ohio Northern's College of Law have spread all over the map of the United States and have won distinction for themselves and their college as judges, statesmen, and practitioners. Most of our lawyers are concentrated in the middle west, but we have representatives in California, in the East, and in North Dakota and Texas.

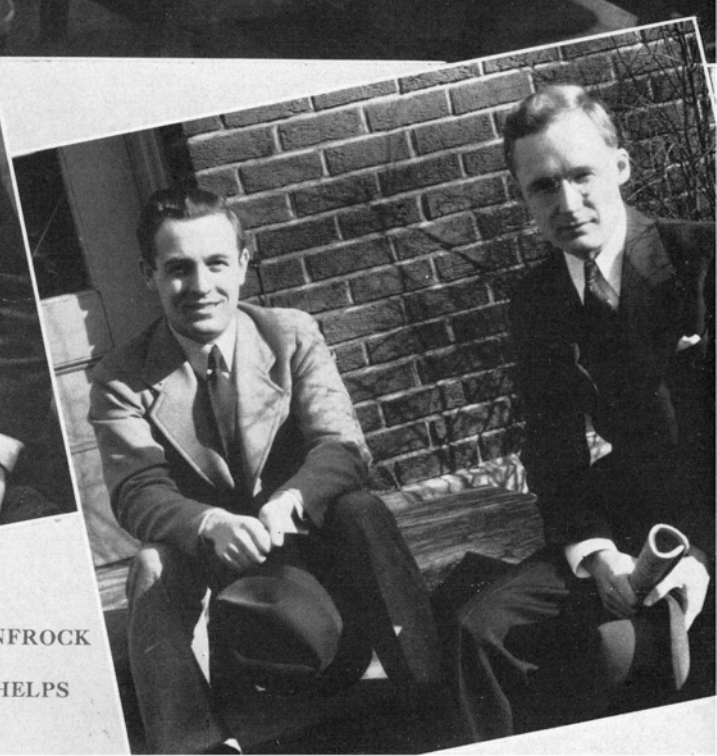

Law instruction is not restricted to men; there are two women enrolled in the law school this year. Claude W. Pettit, Dean of the College, is assisted by E. Vergon Smith and Arthur Phelps. Charles Finck, instructor in Law, was added to the staff this year.

COLLEGE OF PHARMACY

One of the leading pharmacy schools to be found on the map is located at Ohio Northern. Rudolph H. Raabe, Dean of the College, says they deal with a world-wide phase of the drug industry; from manufacturing, wholesale, and retail to its connections with law-enforcement and Civil Service.

George Hocking was added to the staff this year, as was Dr. Harry Wainberg, the physician who has charge of the new University infirmary. Milton L. Neuroth completes the staff.

The Pharmacy College has taken on the dispensary duties connected with the infirmary.

Senior Activities

The Senior Class has sponsored one major social event this year, their semi-formal dance held at the Taft Gym on January 7. Shively Yates and his orchestra played for this outstanding event. It was an All-College dance and the class president was general chairman.

As a memorial, the graduating class has left a movie projector to the University. It was purchased because the athletic and publicity departments have needed one for so long, but any department that has occasion to use it may do so.

Junior Activities

Although the Junior Class of 1938 has sponsored no social affairs they have been prominent in other fields this year. Several were named "Who's Who in American Colleges and Universities." -- Important positions in the women's organizations were held by members of this class and both of the major publications were edited by Junior coeds. The officers presented the annual Founder's Day chapel program early in the spring.

“The primary function of newspapers is to communicate to the human race what its members do, feel and think. Journalism, therefore, demands of its practitioners the widest range of intelligence, or knowledge, and of experience, as well as natural and trained powers of observation and reasoning. To its opportunities as a chronicler are indissolubly linked its obligations as teacher and interpreter.”

PRESS CLUB

The Press Club, which forms the nucleus for the campus newspaper, *The Northern Review*, is composed of those students who are interested in professional journalism.

The organization meets bi-weekly for the primary purpose of discussing the current issue of the *Review*, how it may be improved, and how news shall be gathered for the next publication.

Several prominent editors of this vicinity have lead discussions on the work of news reporting and copy writing.

Lawrence Freeman, who is the chairman of all campus publications, is the technical adviser to the Press Club.

ALPHA PHI GAMMA

Alpha Phi Gamma, national honorary journalistic fraternity, was founded at Ohio Northern in 1923 and has been progressive until this year, when, due to loss of membership through graduation last June, the organization was temporarily inactive.

However, under the leadership of Jack Levine and Lawrence Freeman, this fraternity is making an intensive drive to pledge all eligible journalists, and is fast resuming its position of high standing on the campus.

New pledges are: Helen Shirey, Viona Elwood, Edith Rhoten, Catherine Ferguson, Bettie Ransbottom, Mary Lou Miller, Leroy Keel, Ernest Thompson, Ludwell Binkley and Morris Berke.

“The man whose eyes are opened to the strange and dramatic things that are going on around him—to the comedy and the tragedy, to the heroism and the absurdity, to the sweetness and the sadness of life—can hardly sink again into the animal sluggishness that only acts of brutality can stir to excitement and interest.”

DRAMATICS

PLAYERS

One of the most popular groups on the campus, The Northern Players, has presented a series of three-act plays during the past school year.

Outstanding in this series was the famous London, New York, and Hollywood drama, "Night Must Fall," scenes of which are shown in the montage below. Starring Catherine Fly, Eleanor Baum, and William Ratcliff and directed by the latter, "Night Must Fall," presented for the first time by any theatre group in Ohio, was excellently received.

The summer quarter production, "The Rock," a religious drama, revived interest in dramatic work on Northern's campus. During the Fall quarter, the three-act comedy, "This Thing Called Love," directed by William Ratcliff and starring Virginia Huber, Robert Klotman, and Robert Richter, met with enthusiastic applause.

A sequence of scenes from the Winter quarter production, "Night Must Fall," are shown at the left.

"So What?", a three-act comedy written and directed by William Ratcliff, will be presented as the Spring play. Featured players in this production are Catherine Fly, Virginia Huber, Geraldine Disbrow, William Ratcliff, Robert Klotman, and Robert Hoover.

NORTHERN PLAYERS

Northern Players is organized in cooperation with Theta Alpha Phi, honorary dramatic fraternity, for the purpose of presenting dramatic productions and to discuss the current trends of the professional theatre. Officers of the club are William Ratcliff, President; Eleanor Baum, Vice-president; Marge Ramge, Secretary; Robert Klotman, Treasurer.

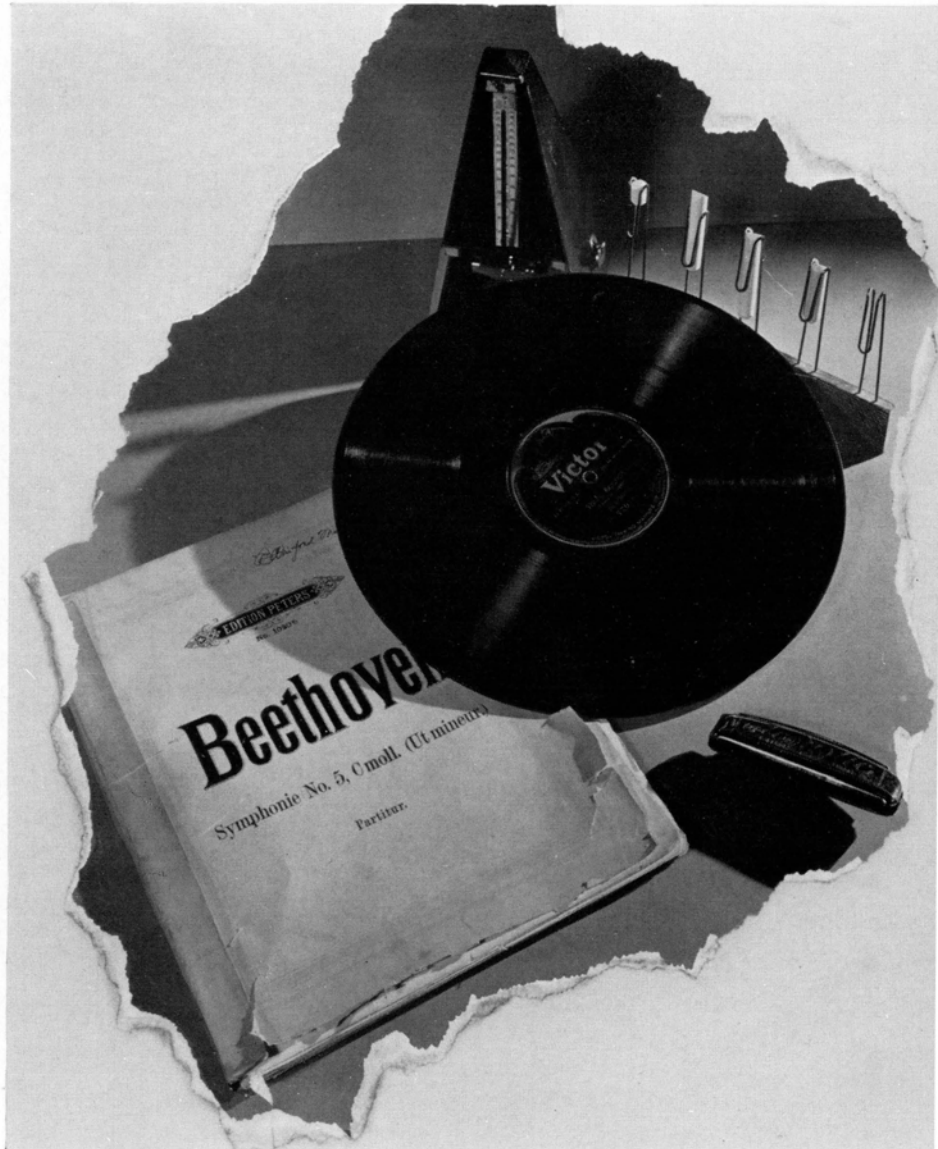

FRESHMEN PLAYERS

Under the direction of Major Deming, the Freshmen Players presented two one-act plays, "In Old Chile" and "Sunset Becomes Rhythm" as their Winter project. "Men Must Fight," a three-act drama, was chosen as the Spring play. Officers of the club are Robert Thompson, President; Betty Arbogast, Vice-president; Ruth Eyster, Secretary; John Weber, Treasurer.

“Music disciplines and controls emotion. That is the explanation of the art of music, as distinguished from the mere power of the musical sound. You can arouse with a stroke; but to guide, to moderate, to control, to raise and depress, to combine, to work out a definite scheme involving appropriate relations and proportions of force, and various mobility—for this you require the subtle machinery of an art; and the direct machinery for stirring up and regulating emotion is the wonderful vibratory mechanism created by the art of music.”

A CAPPELLA CHOIR

A cappella choir singing was introduced to Ohio Northern students two years ago when Haydn Owens became head of the music department. In less than two years a choir has developed which compares favorably with the best of its kind in the country.

Though the group has performed before a number of audiences in this area, the outstanding event of the year, was the trip through Ohio, New York, Connecticut, and Pennsylvania. While on the trip broadcasts were made over both the Mutual and National broadcasting systems.

BAND

One of the oldest organizations on the campus is the O.N.U. Band. It is composed of the finest musicians obtainable and works under the direction of William McBride.

During the Fall quarter, the band appeared at all home football games and accompanied the team on one or two out-of-town trips. Basketball games were enlivened by the band.

This organization makes some off-campus appearances early in the winter quarter before their annual winter concert at Northern. A second concert was presented during the spring quarter.

ORCHESTRA

The University Orchestra has, during the past year, proved itself an experienced playing unit. The new group is directed by Donn Watson with Esther Booher as assistant.

The orchestra made its public appearances in chapel, at the presentation of "Night Must Fall," and at the concert May 15. Though organized but a year, the group proved its worthiness by mastering a full symphony, as well as a number of other works.

DEBATE

WOMEN'S DEBATE

Resolved: That the entrance of women into the economic and professional field should be discouraged," was the subject with which our women's debate team struggled this year. Although our team had only one seasoned member, it represented Northern in the Ohio Intercollegiate Debate Conference in a worthy manner. The tournament was held at Capital University in the spring and the schools who took part were: Ohio University, Ohio Northern, Bluffton, Earlham, and Wittenberg. Each team met every other team participating.

The coach, Major Deming, was assisted by Eleanor Baum.

MEN'S DEBATE

Several veterans were on the men's debate squad this year. They were Ernest Thompson, John Canterbury, Larry Woodworth, and Myron Shilling.

The subject debated was: *Resolved:* "That the policy of the union closed shop should be adopted throughout American Industry."

Northern's men did remarkably well this year and in the district tournament, held at Heidelberg, Ohio Northern finished in a three-way tie for first place. At the finals in Columbus the Northern team finished in third place for the state.

Major Deming had charge of the affirmative and Rev. G. M. Wilson coached the negative team.

O.N.U.P.A.

Since 1906 the Ohio Northern University Pharmaceutical Association has been the outstanding organization of the College of Pharmacy. This year, local professors addressed the meetings held twice a month, and students of the department presented papers dealing with the latest developments in their field. The association visited the Park, Davis and Company Plant at Detroit. Late in April, they held their annual Open House.

Officers for the year were: Clayton Stevenson, president; Elmer Rebol, vice-president; James Long, secretary-treasurer.

Standing: Martens, Kujawski, Strauss, Johnston, Lazzars, Hocking, Rebol, Beham, Kane, Neuroth, Hurst.

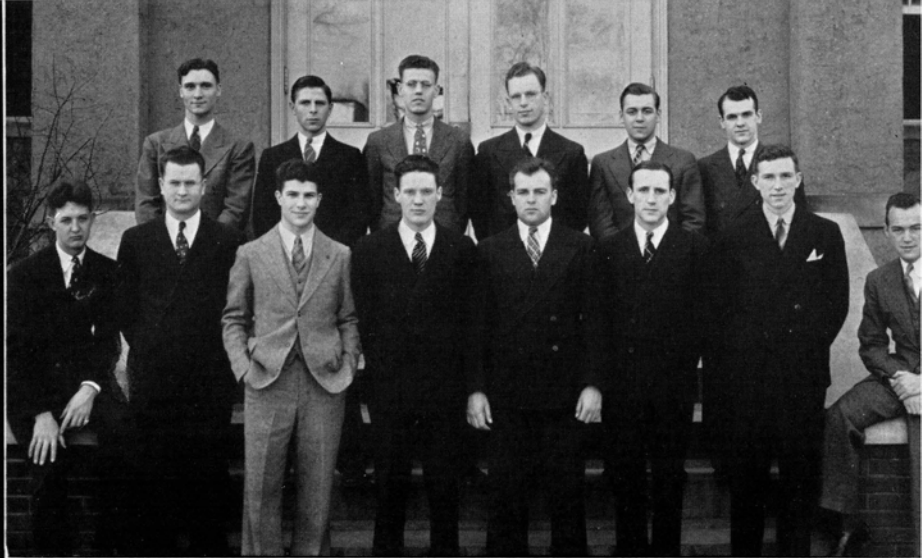

Seated: Cook, Wolman, Kipp, McNeal, Opritza, Dean Raabe, Mitchell, McNeal, Brickner, Southern.

ONESA

One of the important engineering societies is the Ohio Northern Engineers' Speaking Association. Membership is limited to fifteen upperclassmen chosen from the engineering college.

The group meets each week, and following a dinner, a temporary toastmaster introduces two speakers who have been previously informed and one man who is to speak extemporaneously. The purpose is to give the engineer practice in addressing a group and to acquaint him with events outside the engineering field. No technical papers are permitted.

The chief toastmasters for the past year were Karl Blackburn, Fall quarter; Thomas Baker, Winter quarter; and Clark Zingrebe, Spring quarter.

Standing: Banesky, Miller, Hindall, McNeal, Ernsberger, McNeal, Tomlinson, Accountius, Campbell, Nagy, Harrod, Kerr.

Seated: Parrott, Lynn, Littler, Leatherman, Raker.

CHEMIST'S CLUB

This year the Chemist's Club became the Ohio Northern Student Affiliates of the American Chemical Society.

When the new organization elected officers Eugene Kerr was made president; Gerald Leatherman, vice-president and Walter Lynn, secretary-treasurer. Dr. Jesse R. Harrod and Dr. Lewis E. Miller are the faculty advisers.

Dr. W. C. Fernelius of Ohio State University visited the campus and addressed the club on subjects of vital interest. A trip was made to a sugar factory, technical papers were read at bi-weekly meetings, and an extensive display for "High School Day" was presented by the society.

Biology Club and Phi Lambda Pi, the honorary biology fraternity, have held cojoint bi-weekly meetings throughout the year. The Biology Club is open to any student interested in any biological subject and has a large membership.

The combined organizations held a social affair in the fall quarter. Of special interest to the Local Flora group was a trip to Old Man's Cave in the spring.

Outstanding speakers during the year were Dr. D. O. Harvey, tuberculosis specialist; Dr. Dante Pigozzi, social disease specialist; and Dr. Earl H. Crafts, eminent psychologist.

A.I.E.E.

The electrical engineering students are represented at Northern by the American Institute of Electrical Engineers, the oldest branch of a national engineering society on the campus. Meetings are held bi-weekly to unite students of a mutual interest and to illustrate the practical field of electrical engineering.

The group took inspection trips to Bluffton, Columbus, and Cincinnati to acquaint the students with the activities of the industry.

The officers for this year are Clark Zingrebe, president; Elmo Hagelberger, vice-president; Clare Stump, secretary; Burton Schwertfager, treasurer; and Stanley Jordan, faculty adviser.

O.N.U.S.C.E.

The O.N.U. Society of Chemical Engineers meets bi-weekly to promote student interest in the field of chemistry, through reading of technical papers dealing with that phase of engineering.

Included in this year's activities were trips to tire and rubber, oil refining, and water supply, industries. A number of companies were contacted who furnished exhibits for the group.

Officers for the year are Joseph Littler, president; Walter Lynn, vice-president; Lawrence Campbell, secretary-treasurer; William Billings, reporter; and Dr. Jesse R. Harrod, faculty adviser.

ENGINEERS' BALL

February 26 marked the end of Engineers' Week and the date of the Annual Engineers' Ball. This year the dance was held in the high school gym. Music, jam, and comedy were furnished by Frankie Schenk, his orchestra, and the drummer.

The gym was decorated with blue and white false ceiling and walls. The electricals arranged a unique colored indirect lighting scheme.

ENGINEERS' EXECUTIVE COMMITTEE

The Engineers' Executive Committee is the governing body of the engineering activities of the campus. The Committee is composed of one representative from each of the engineering societies. The Committee arranges and conducts the programs of Engineers' Week, and the Engineers' Ball which climaxes the week.

Members of this group for this year are Clark Zingrebe, president; Carl Blackburn, vice-president; Edward J. Prokop, secretary; Joseph Littler, treasurer.

NU THETA KAPPA

HONORARY ENGINEERING FRATERNITY

Nu Theta Kappa is the goal of the engineer who is academically inclined. The group meets monthly to discuss papers on engineering subjects and sponsors one social function a year.

The officers and members are Karl Blackburn, president; Paul Adams, vice-president; Joseph Littler, secretary; Oliver Accountius, treasurer.

Pledges: Charles Nagy, Hubert Augsberger, Daniel Casselman, Lawrence Campbell, and Walter Lynn.

Open to all mechanical engineering students, the Ohio Northern chapter of the American Society of Mechanical Engineers meets bi-weekly for the presentation of papers pertaining to engineering problems.

To promote understanding of the mechanical engineering field inspection trips were taken to Lima and Bluffton. A delegation attended the Allegheny Regional Student Conference in Toronto, Canada.

Officers of the society are Edward J. Prokop, president; Stanley Strayer, vice-president; Earl Salo, secretary; Paul Adams, treasurer; and Dean John A. Needy, faculty chairman.

Top row: Statlers, Mann, Kline, Ash, Klinger, Gassen.

Middle row: Metcalf, Arthur, Lyman, Rogers, Clark, Roose, Opydke.

Front row: Rath, Hanline, Vieto, Webb, Blackburn, Kyler, Fornev.

THE A. S. C. E.

The Ohio Northern Student Chapter of the American Society of Civil Engineers is one of the most active organizations on the campus. The group co-operated with the other engineering organizations in the presentation of the smokers held during the fall quarter and the Engineer's Ball, foremost social function of the engineering college.

Highpoint of the year was the District No. 9 convention of the national society, held at Dayton, Ohio. While there, a trip was made to Wilbur Wright Field, world's largest aeronautical laboratory. Inspection trips were also made to Lima, Delphos, Bluffton, and Cleveland.

Officers for the past year are Carl Blackburn, president; William Kyler, vice-president; Claude Vieto, treasurer; and Professor Alex R. Webb, faculty adviser.

A.W.S.

Organized in 1929 to further social and intellectual cooperation among the coeds, the Association of Women Students has grown to be of vital significance to the college girl. Four officers are elected by the vote of the entire woman student body and they act in a governing and legislative capacity. They plan the policies of the association and handle the disciplinary cases which may arise.

The organization sponsors a series of lectures known as the Feminine Forum. Speakers, on subjects of special interest to young women, are brought to the campus through the efforts of the board. The officers are also responsible for Freshman Week activities.

Miss McCue of Ohio Wesleyan was guest speaker at a Leadership dinner at which all the leaders of the various women's organizations were present.

LEGISLATIVE BOARD AND HOUSE COUNCIL

A representative of the four classes, the presidents of Y.W.C.A., W.A.A. and the Pan-Hellenic Council, and the officers of A.W.S. make up the Legislative Board. The House Council is composed of the house presidents and representatives of the town and scattered groups of women. Through these two divisions every coed is represented when activities for the women are discussed.

Working under the auspices of the A.W.S., the Board and Council have sponsored all the Registration Dances, and the annual A.W.S. formal.

A successful drive to obtain money for Alumnae Hall was made through their efforts. It was known as the "Earn-a-dollar" benefit, and nearly every University woman fulfilled her pledge.

Y. W. C. A.

This year was one of the most successful which the Young Women's Christian Association has experienced. Their candy and sandwich sales at the Varsity ball games netted a nice profit which helped in the redecoration of the Y rooms. The proceeds from the annual Christmas Bazaar was added to the Geneva Conference fund. Articles from China, Russia and Berea College, Kentucky, were sold.

The "Y" girls sponsored an impressive candle-lighting Christmas service, which was so well received that they hope to make it a Northern tradition. Mrs. W. C. Fernelius, representative of the national organization, visited on the campus for two days and was helpful in suggesting new projects. Five delegates from Northern attended the Spring Cabinet Training Conference at Bluffton.

Coming to the fore as one of the most important men's organizations as well as a pioneering group is the local chapter of the Young Men's Christian Association. During the past year the group has sponsored lecture series on employment, hobbies, and marriage. The group also cooperated in bringing to the campus one of the foremost authorities on marriage.

The successful candy sales were continued this year and the Y rooms further improved. The society's social functions included hay-rides and picnics.

The officers for the past year were Daniel Saiter, president; Ludwell Binkley, secretary; Philip Spain, treasurer; Robert Goble, program chairman; and George W. Patton, sponsor.

ARTIST-LECTURE COURSE

It has been the aim of the University to secure the best talent in the entertainment field for our Lecture Series this year. The programs have been unusually well attended and enthusiastically received. Outstanding in the Fall quarter was the concert given by the "Metropolitan Four,"-- a mixed quartette from Chicago.

Mary McCormick, well-known soprano soloist, gave the first of the winter quarter series. Charles Eagle Plume, America's greatest Indian dancer and interpreter of Indian culture, appeared next.

"Spotlight Sketches" was one of the most unusual presentations of the year. John McMahill, Jr., with his young protege, Jeffrey Mongerson, gave several one act plays. The only lighting used was one spot light, and the effect was startling.

Dr. Irving Garwood presented an illustrated lecture on "A Pilgrimage to Art Shrines of Europe" early in the Spring Quarter.

HEALTH SERVICE

This year saw the inauguration of a student health service at Ohio Northern. This project had been anticipated for some time but had failed to materialize. Dr. Harry Wainberg is the student health director, assisted by Miss Naomi Beery, a graduate nurse. A university-owned building has been set aside exclusive for infirmary, use. It is fully equipped for the treatment and hospitalization of students. Prescription service is carried on at the University Dispensary in the Dukes building. R. H. Raabe, Dean of the College of Pharmacy is responsible for its service. Only registered pharmacists, on the pharmacy staff, fill prescriptions.

Dr. Wainberg, full time physician at the infirmary, is a graduate of Loyola University and had a private practice before coming here.

“Socrates called beauty a short-lived tyranny; Plato, privilege of nature; Theophrastus, a silent cheat; Theocritus, a delightful prejudice; Carneades, a solitary kingdom; Domitian said that nothing was more grateful; Aristotle affirmed that beauty was better than all the letters of recommendation in the world; Homer, that ’twas a glorious gift of nature; and Ovid calls it a favour bestowed by the gods.”

Social life at Ohio Northern began with the “Get Acquainted” freshman mixer at the M. E. Church during the first week of school. Then, the little-brother and little-sister picnic at Community Park finished Freshman week.

Every fraternity on the campus held an informal dance during the Fall quarter. “The Big Apple” and “Veni, Veni, Veni” were served at every party. Turner Hall, “A Little On the Sentimental Side,” had a Hallowe’en dance. Mack Finch played for the Phi Chi “Big Apple” dance at the Gym, and the Theta Sorority initiated their new “Sweet As A Song” house with an informal affair.

A Christmas Caroling party was planned by the University women, and some private serenading was done early in the Winter quarter. Mrs. Michael’s and Joe Reif’s Christmas party held at the College Eat Shoppe, was complete with Santa and gifts. “June in January” was the theme of the Sig Ep winter formal for which Frankie Schenk played. Then, to the tune of “Dipsy Doodle” the Seniors swung their dates with Shively Yates. Pledges gave informal parties honoring actives in nearly every fraternity on campus. “Bob White” was featured at the Kappa Psi formal dinner dance . . . and the Sig Pis gave a similar affair. The Barristers declared “You Can’t Keep Me From Dreaming,” with Bob McMahon’s orchestra, at their annual Ball. The “Campus Swingsters” played for the Theta’s winter formal at the Municipal auditorium. A St. Valentine theme was used by the Phi Chis for their formal at the Gym, for which Mack Finch furnished the music. ▪

The Engineers’ Ball, held at the high school gym, and the Xi Beta formal completed the Winter quarter’s dancing program.

Tau Kappa Kappa entertained with a theatre party, and Turner Hall held a Treasure Hunt dance early in the Spring. Northern Players held their dance at the Delta Sig house; the A. E. Pis had a “Jail” party, and the Sig Pis skated their guests at Welcome Park for variety. The sororities were guests of the Sig Eps at various times during the spring. Now, come the out-of-town spring formals . . . long may they swing!

PUGNACIOUS POLARS

The Polar Bear varsity upset pre-season predictions and had a rather modest season of four victories, three ties and one defeat. With twelve lettermen on hand, Northern seemed to be well on the way to a brilliant year on the gridiron. Around these men the coaches developed a team. The scores practically speak for themselves. Northern defeated some fine opponents, tied with others and lost a final heartbreaker. Northern was inferior to none of these teams and out-played her opponents in every phase of the game. Despite these virtues, our men seemed to lack the necessary "Umph" when in the shadow of the goal line.

FINDLAY GAME A CLOSE ONE

Northern hung up their initial victory at the expense of the scrappy Findlay team, while a thousand anxious spectators watched the Polar Bear 1937 gridiron debut. An abundance of experienced material gave the team one of the highest ratings in the league. By winning this contest, the Bruins were well started toward Ohio conference honors.

Findlay played inspired football against the Polar Bears, holding them to one lone touchdown. Northern outran and outpunted Findlay, but were unable to prevent them from scoring. Between the twenty yard stripes, gaping holes were torn in the opponent's line.

FOOTBALL 1938

Findlay fought like the proverbial Trojans. Northern's only tally came in the second quarter on an off tackle smash. The attempted conversion fell short and was followed by the second kick off of the game. After a bit of mid-field scrimmage the half ended.

Although the Bears seemed to be even more invigorated during the second half, they lacked scoring punch, and on innumerable occasions lost the ball on downs within the Findlay ten yard marker. Findlay, on the other hand, entered the third period with a carefully planned air attack. Pass defense proved to be Northern's outstanding weakness, and after traveling the length of the field in three passes, Northern followers were quite alarmed. Our line thwarted the attack, however, and a talented toe put Northern temporarily out of danger.

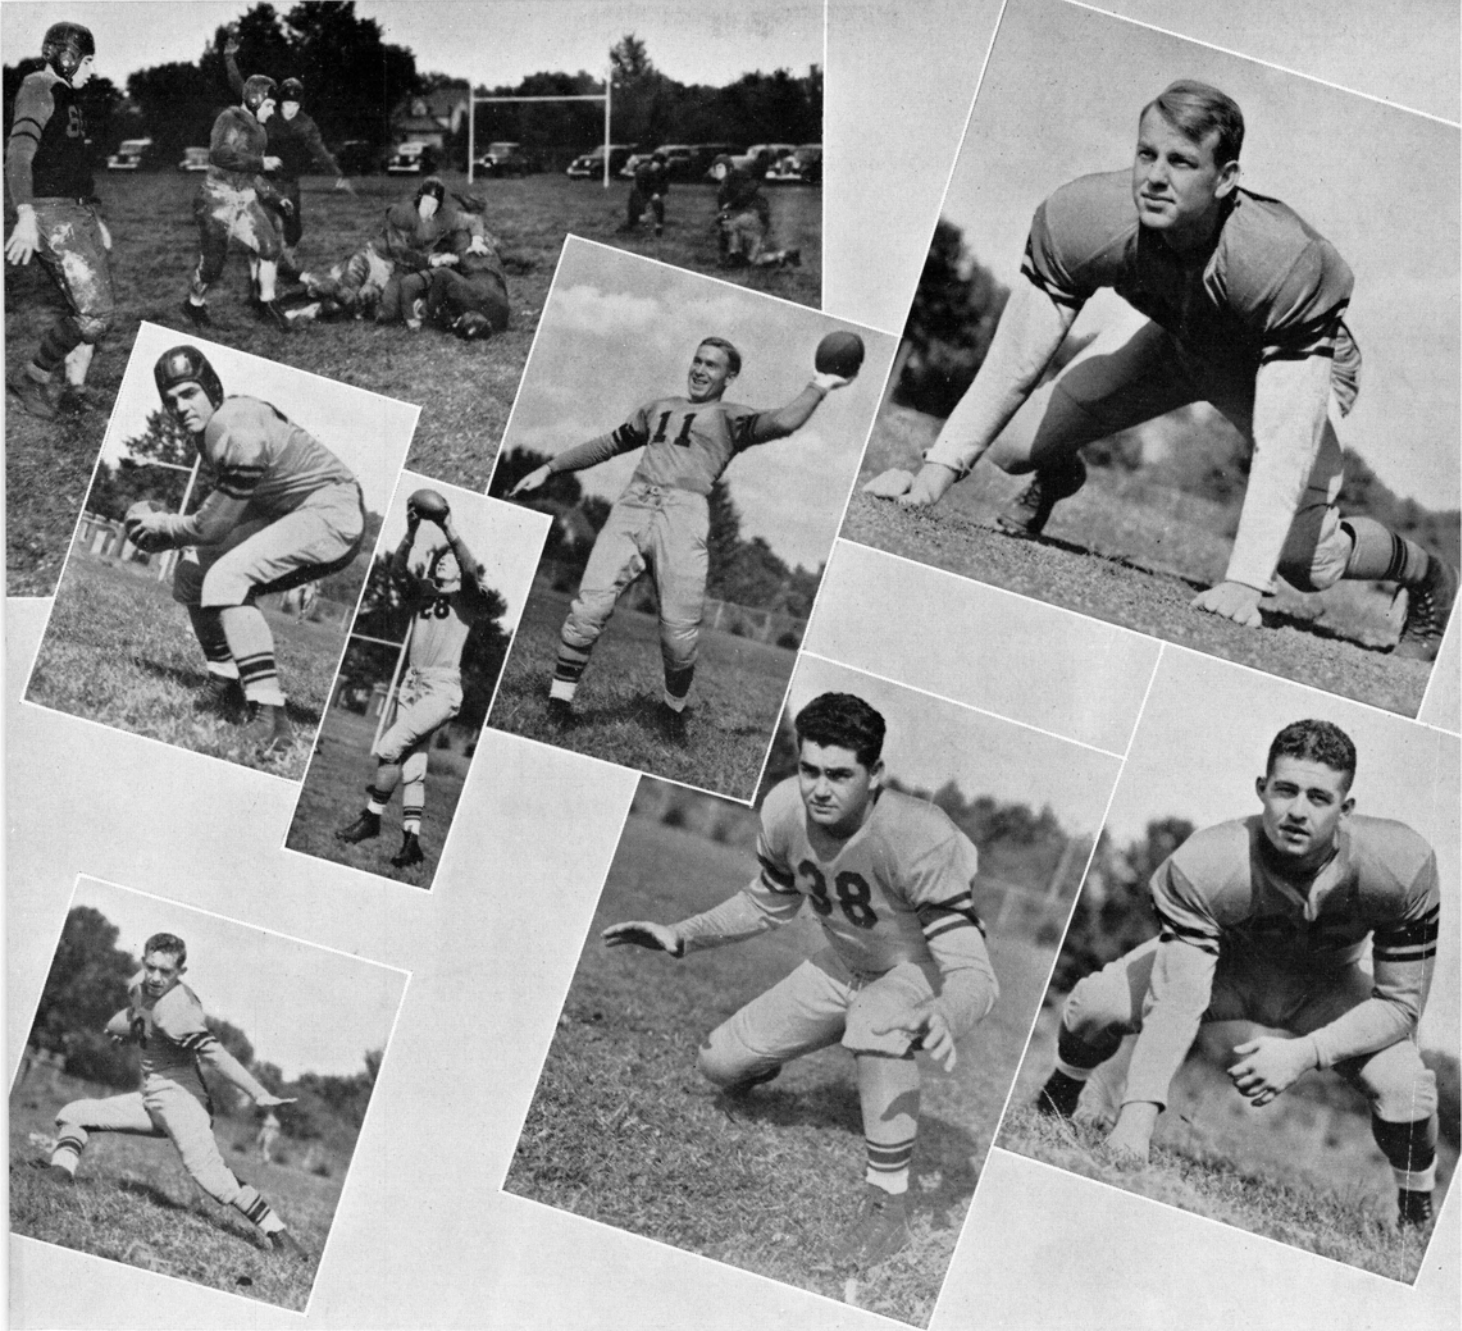

In the fourth quarter, Findlay again launched an air attack after Northern lost the ball deep in the opponent's territory. Via the air route, Findlay worked the ball to Northern's three yard line where it was lost on downs. With the hosts in difficulty behind their own goal, Findlay's line smashed through as the ball was snapped, and forced Northern to safety. With the score at 6 to 2 the ball moved both ways for the rest of the afternoon but crossed neither goal line.

DENISON GAME ENDS IN A DEAD LOCK

For their next game the Polar Bears journeyed to Granville to attack the big Denison Reds. The Orange and Blacks were pointing toward this game because they wanted to avenge the tie of the previous season. Apparently the opposing stalwarts were of the same feeling. Both teams tried every trick in the bag but to no avail; the score remained unchanged throughout. Much can be said for Denison's offensive play. Their powerful line plays and cagey backfield were a credit to any club. Against Northern, however, this type of attack only illuminated our invincible linemen. Our men showed their colors on this memorable night, and from the backfield soared some of the most perfect punts seen in the conference this year. It must be remembered that for every kick that successfully gets underway, ten men are holding eleven opponents at bay.

BRUINS CLICK AGAINST ASHLAND

Northern's eleven proved it could function to perfection under the lights when it chalked up a decisive victory over Ashland. The Bears playing "heads up" ball, took advantage of two fumbles and cut loose with a power drive for three touchdowns, while the opponents scored on a blocked punt. The final score was 19-6. Early in the first quarter Northern recovered a fumble on the Ashland twenty-six yard line and in four plays scored the first six points. In the same period a delayed punt was blocked, and Ashland recovered behind Northern's goal. Both teams failed in conversion attempts.

As the second period opened, Northern started another drive down the field but lost the ball by incomplete passes into the end zone. After holding Ashland against the wall the Polar Bears again recovered the ball on their own forty yard line. In just three plays, they crossed Ashland's goal but failed to get the extra point.

BRUINS vs ASHLAND

Near the end of the third quarter, Ashland again fumbled and Northern recovered. There was an exchange of punts, advantageous to Northern, before the Bears settled down to another goal line drive. Beautiful line plays of cut backs and reverses gave Northern another tally and the extra point was good, putting the score at 19-6.

Ashland was unable to score in the fourth period but cut loose with a well planned passing attack. An air raid again found Northern weakened, and both fans and participants spent final moments of anxiety.

o

HEIDELBERG ALSO SCORES ONCE — Homecoming

The Northerners met their match before a colorful Homecoming crowd. The Heidelberg Student Princes furnished the opposition and also a few scares in the last few minutes of play. This was the glorious day the "grads" had been waiting for, and there was plenty of action, in the bleachers as well as on the field.

Heidelberg, winning the toss, elected to kick, and the Bears went to work. Early in the initial quarter after a series of line bucks and off tackle slashes the Orange and Black club worked the ball into scoring position. The Princes dug in for the usual goal line stand but couldn't stop the blood-thirsty Bruins this early in the game. A plunge scored six points, but the conversion was wide.

The second quarter — consisted of mid-field scrimmage with Heidelberg gaining momentum, and the

Bears looking a bit ragged. The opponents from Tiffin made several nice line slashes, and then took to the sky route. This was a successful venture and proved fatal, for from the fourteen yard line a well aimed pass floated into the arms of a lone Heidelberger who was standing in pay dirt. Luckily for the hosts, the attempt placement was wild.

Obviously locker room drama was effective, for when the second half opened the Northerners were back in first quarter form, they threatened several times, but the opposition was too strong for penetration. Heidelberg seemed to have lost their aggressiveness during this period but their defense was superb.

The final period was a thriller. Northern was breaking even on punt exchanges and had quite an advantage in yardage gained. However, with an aerial siege effective in the second period, the Princes tried that route again. Two such thrusts were all but successful, and with the final gun, Heidelberg had the ball within inches of Northern's final stripe. Final score 6-6.

o

NORTHERN DAMPENS CAPITAL'S SPIRITS

Northern eked out a 3 to 0 victory over Capital in their Homecoming game at Columbus. The Polar Bears scored in the opening quarter after recovering a Lutheran fumble on the latter's thirty-one yard marker. After advancing to the twelve yard line Northern's legal minded tackle bisected the up-rights with a perfectly executed field goal.

NORTHERN vs CAPITAL

Using a pony backfield and a heavy duty line, our squad hammered at the Capital machine all afternoon. During the second half Capital tried every trick in the proverbial bag, but in vain. Both teams missed scoring opportunities, and Capital tried for a field goal from the seventeen. Northerners sighed with relief when the pigskin fell short. Northern had a slight edge in yards gained, but the Capital Killers held Northern for downs on the one foot line and again on the one yard stripe. The gun sounded with the score at 3-0.

o

BEARS HOLD MUSKIES SCORELESS

The hard fought tussle between the Bears and the Muskies ended in a scoreless tie. The two teams fought a clean hard game, but fine defensive work on both sides prevented any scoring. Northern depended principally on steam roller tactics while the Muskies took to the air, neither of which proved effective for a tally. Northern, because of sheer power, ran Muskingum ragged, but when in scaring position, they just couldn't break into "touchdown lane." The Muskies whirled the Polar Bears 'round and 'round throughout the game with spinners and reverses, but like Northern, they lacked goal line punch.

In the first period the crowd was drawn to its feet by Northern's razzle dazzle plays to substantial gains. These gains were short lived, however, because a versatile Muskingum back retaliated with a pair of 15 yard runs.

Using the wind to advantage, Northern gained momentum behind beautiful interference in the second quarter. Muskingum fans crossed nervous fingers when Northern attempted a conversion from the 15 yard line. A critical angle prevented a score at this time.

The second half showed some dangerous thrusts by both teams, but when the necessary punch was needed by one club, the other eleven possessed goal line strength. Both teams got off some splendid punts when they were backed against the "wall." The "down staters" tried a few passes in the final moments, but nevertheless the game ended in a scoreless tie.

o

GOAL AND CONVERSION DEFEATS BEARS

After an over night trip to Alliance the Orange and Black sank to an honorable defeat at the hands of the strong Mount Union gridmen. The "Mounties" had beaten some plenty tough teams, and the Bears kept them mighty worried throughout the game.

It was not until the final quarter that one of the Alliance lads slipped through for a score. The extra point was made and the game ended with the score in favor of Mount Union 7-0.

While our loss at Mount Union was a disappointment to all who hoped we would share conference honors, it was nevertheless the close of a fairly successful season. While our team was not a high geared scoring outfit, they slowed down the teams that aspired to be one. We ranked in the middle group of conference teams, and five of our men received high mention for all Ohio honors.

This is the most envied of all campus groups. Each of these men has distinguished himself in some phase of intercollegiate athletic competition and thereby earned the privilege of wearing the Ohio Northern insignia.

Besides athletic participation, these men promote various campus activities. It was through the efforts of the "N" that funds were raised to purchase a motion picture camera for the University.

FRESHMEN FOOTBALL

(Cannon Fodder)

This Freshman football squad really takes a "beating." Among other things, each week they learn a new set of plays to represent the Varsity's opponent for the coming Saturday. After seeing these "greenhorns" surprise their superiors it is evident that those now holding varsity berths must look to their laurels next fall. Such material is gratifying to any coach.

COURT RECORD A BIT ONE-SIDED

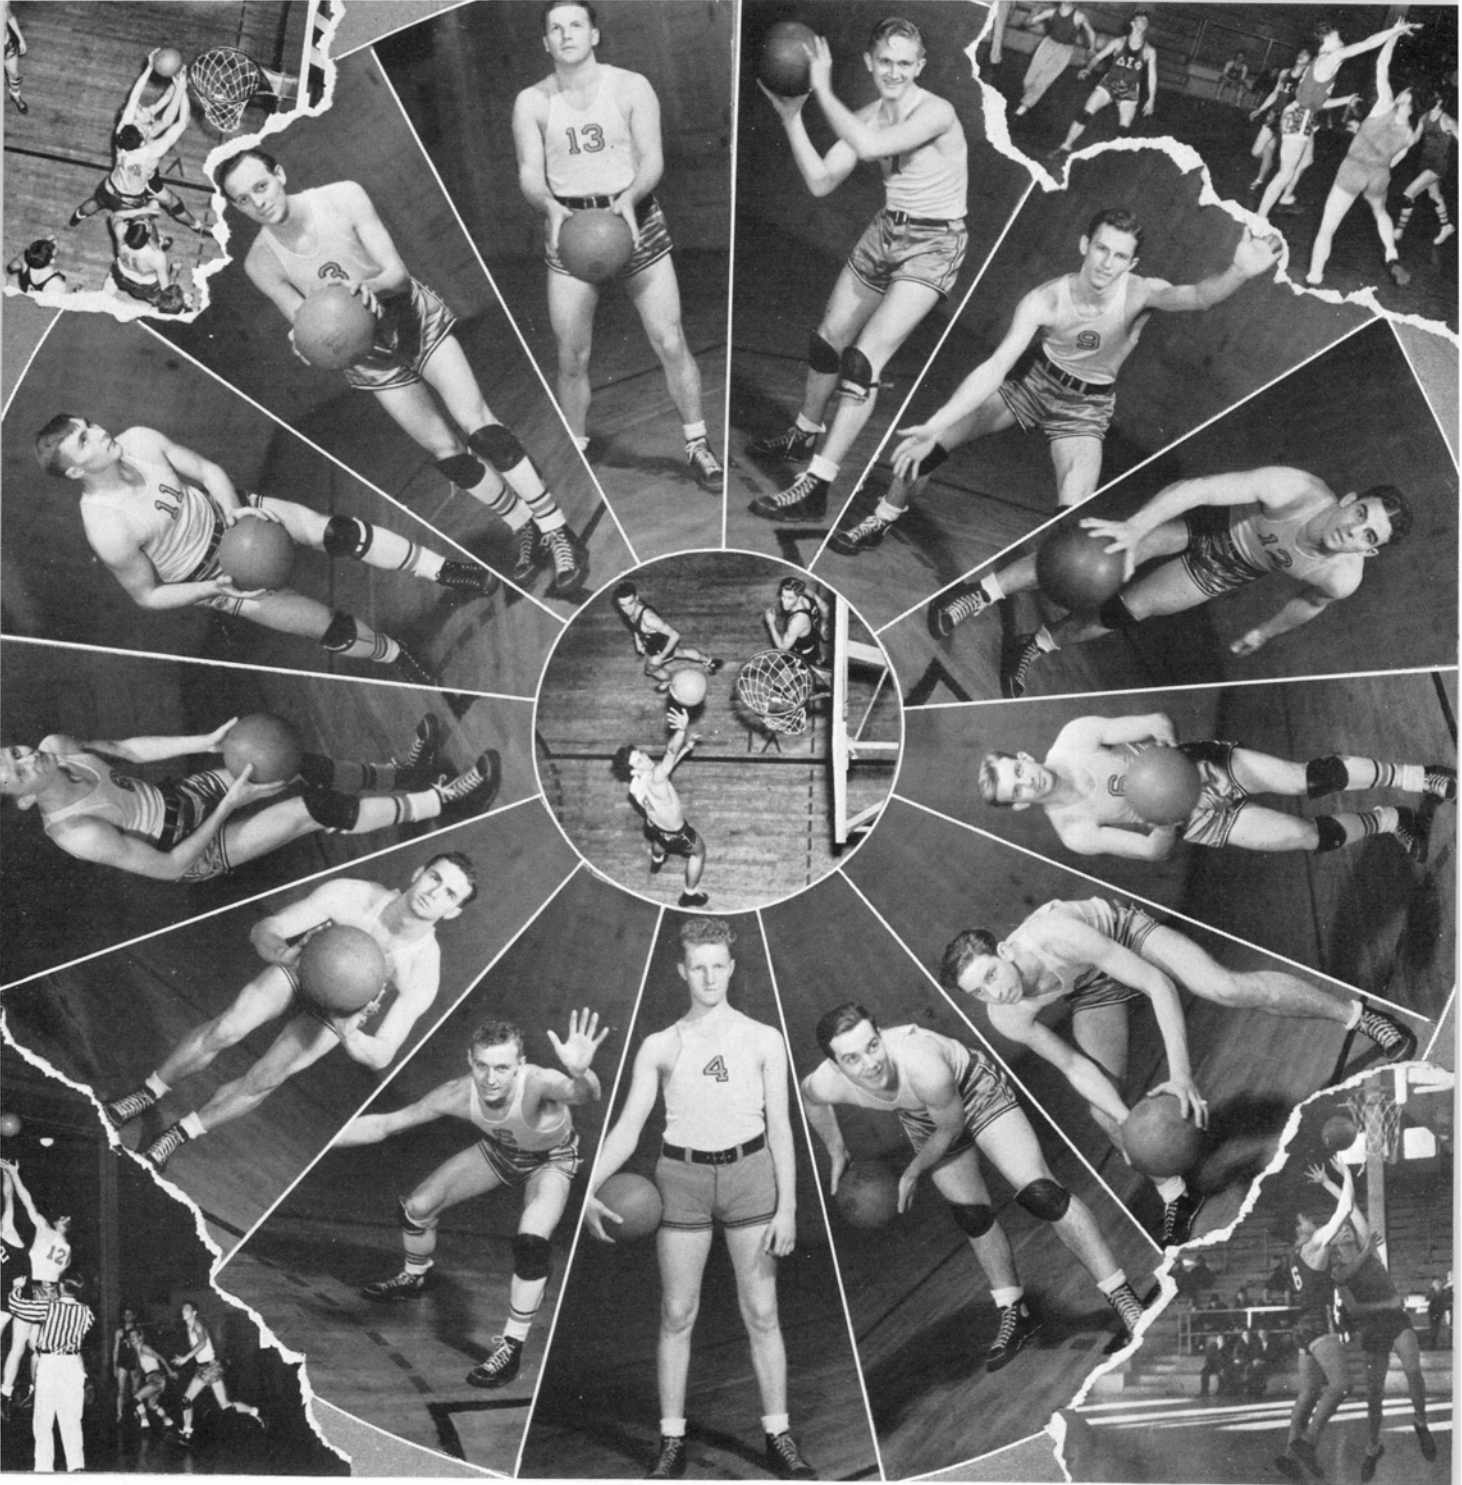

Gloom swept the campus with the arrival of the Winter quarter. Four potential first stringers were ruled ineligible because of grades. This was a blow to Coach Schuchardt who shouldered the basketball responsibilities for the first time this year. Even against these difficulties, however, Schuie and his remaining material struggled against great odds to uphold Northern's reputation on the hardwood court. The resulting scores are no discredit to either the coach nor the players.

COURTSTERS

Every man on the squad saw action in the season's opener, as the Bears defeated a weak Giffen team 53-28. The squad appeared fairly strong but of course did not approach mid-season form. We fell the victim of Heidelberg the same week by a mere margin of two points. This was a nip-and-tuck battle and a tough one to lose. The next game was against Bowling Green. The pace was a bit too fast for the Northerners, however, and they emerged on the short end of a 42-50 score. Findlay College was our next conquerer and their splendid floor work and our inaccurate shooting brought on our 49 to 31 defeat. Before a Saturday crowd our courtsters attempted to check a Capital onslaught. The Capital quintette, one of the strongest in their history, gained an early lead and their supremacy was ever in evidence.

After losing its fifth game in succession, at the hands of Mount Union, the Northern team reversed procedure and topped Ashland 36-34. The boys seemed to be showing better style in all phases of the game during this exhibition. Findlay again handed us a defeat in their own gym, but despite the score the Orange and Black seemed much improved. They next stopped Bluffton's thrusts to the tune of 48 to 39.

DEFEAT BUT NOT DISHONOR

Then came Muskingum! Northern made a desperate effort to trim these arch rivals but fate scorned Northern's bid, for after a terrific struggle, the down-staters possessed a 45 to 31 victory. Playing against a powerful and accurate Wittenberg quintette the Northern cagers, unable to locate the basket, succumbed to a lop-sided score of 73 to 39. The next game our boys did much better. They showed fine floor work and good defense ability. The closeness of the score shows that the Bears looked like winners until the final minutes of play.

Capital again used our boys as another step toward Conference honors. Northerners tried a trick a minute to stop this siege but to no avail. In the return game Ashland was set to avenge the earlier defeat. The same evening the Bears were hungry for another taste of victory. The game was fairly close until the final quarter when Ashland edged into a six-point lead and stayed there. Wittenberg turned on the pressure as O.N.U. visited Springfield. Every Lutheran seemed to be "hot" that night, and all the Northern lads could do was check them as much as possible.

Final Score 27-79.

In summarizing the season's results we offer no apologies for this team. We have the utmost confidence in Coach Schuchardt as well as the men he trains. Next year practically the same men will take to the court for the Orange and Black. Although pre-season optimism is always high, we truly feel that under the same conditions "Schuie's" next year's team will taste as many victories as this year's did defeat.

VARSITY TRACK

The 1937 track team was not as well balanced as it might have been. Although they were exceptionally strong in the dashes, they lacked material in the field events and endurance races. However, with the above men as a nucleus and many recruits from the freshman ranks the 1938 results are more promising.

FRESHMEN BASKETBALL

A large number of boys reported for practice as members of the frosh squad and although only ten survived, it was they the coaches thought most likely to be varsity timber. While the group was not outstanding, there were several boys who will likely prove good varsity material. Like the freshman football squad these boys have had "to take it," and they've given the varsity some stiff competition.

TENNIS

The 1937 tennis team had the best record of Northern's teams last year. The men played each match like veterans and have showed up even stronger this year. Although Straub has been lost from last year's squad, McConnell, a veteran, has returned to replace him. In addition to the squad pictured here, Wible, Dobbins, Tipple and Epstein will see action.

After looking at these results one should not be too critical of Northern's swordsmen. With one exception, each man was new at the game this year. The schedule was a tough one and our team made a good showing against such competition. INTRAMURALS

Without a doubt this is the men's most popular extra-curricular activity on the campus. The program is so well organized that trophies are awarded to the winners of more than ten different athletic events. The winner, and also the runners-up in each event, are awarded points toward an all sport's trophy. Every fraternity competes in this program and close competition prevails until the last score of the final game. The winners of last year's all sport's trophy was the Theta Nu Epsilon. Five points behind them were the Phi Mu Delta's and Theta Kappa Phi's teams in that order.

Each sport comes under the class of a major or minor event. Major game winners gain twenty-five points while minor winners are awarded fifteen points. Two major winners not pictured here are the victors in track and the boxing-wrestling champs. The Sigma Phi Epsilon won the track laurels last spring while the T.N.E. copped the boxing-wrestling points.

WOMEN'S ATHLETIC ASSOCIATION

A very important phase in a coed's life on Northern's busy campus is the Women's Athletic Association. This organization is composed of all the girls on the campus interested in athletics, worthy expenditure of leisure time, and the fellowship of other girls.

This is a national organization, and our state-wide scope allows contact with all Ohio colleges. There is also a state newspaper to which Northern's W.A.A. makes a regular contribution through her sports editor.

In addition to conducting various tournaments during the year, the Women's Athletic Association is responsible for several important social events such as Senior High School Play Day and the annual Football Dance.

HEADS OF SPORTS

The activities of the Women's Athletic Association are divided among girls who are appointed by the president of the Association according to their outstanding ability and achievement in certain sports. Each girl is known as the head of her respective sport and has full charge of planning any tournament or contest connected with her activity. These heads of sports form a part of the executive council and for this year they are as follows :

LEILA MAE BAUM.	Hockey
ELEANOR WINEGARDNER	Tennis
MARGARET SLEESMAN.....	Archery
RACHEL JOLLIFF	Volley ball
HELEN TURNER.....	Gymnastic activities
BETTY DILTS and GENEVIEVE JENKINS.	Minor sports

W. A. A. COUNCIL

The executive council of the Women's Athletic Association is the governing board made up of the officers of the association and the Heads of Sports. Money matters relative to the organization are managed effectively by the council. This body draws up the rules governing all contests and tournaments. It awards medals, letters, sweaters, keys, and other honors to the winners of these meets. The council sponsors about three big parties a year in which all W.A.A. members take part. In addition, the executive council takes charge of the annual Fall Play Day for high school Seniors. The arrangements for the production of the W.A.A. Revue during the spring quarter are under the supervision of this group. As adviser for all activities and business matters, the W.A.A. executive council has efficient Miss Alva Tolf, who inspires the girls with her never-ending enthusiasm.

WOMEN'S SPORTS

W.A.A. COUNCIL

The officers of W.A.A. this year, who composed the executive board, are Norma Gray, President; Lucylle Dieffenbacher, Vice President; Geraldine Disbrow, Secretary; Margaret Jones, Treasurer; and Edith Rhoten, Social Chairman. Other members of the council are Leila Mae Baum, Eleanor Winegardner, Margaret Slesman, Rachel Jolliff, Bettie Ransbottom, Betty Dilts, Genevieve Jenkins, Helen Turner, and Marian Kerr.

COLLEGE PLAYDAY

Even Northern's W.A.A. refuse to remain in one dot on the map but make an annual trek off campus. Early in the morning of March 18, sixteen girls and Miss Tolf piled into Northern's bus and accompanied by the smiling driver, Tom, headed south for Cincinnati.

These girls, chosen by the Executive Council and Miss Tolf, participated in a tri-state Play Day at the University of Cincinnati. There were seventeen other colleges from Ohio, Indiana, and Kentucky, represented in this event. The whole affair was well organized and expertly managed. Our coeds met Wittenberg, Miami, Earlham, and Capital in volleyball, basketball, and deck tennis, and provided some exciting competition for their rivals.

ARCHERY

A popular sport during the fall and spring quarters is archery. On any brisk fall day you can look out on the archery range behind Taft Gymnasium and see fair coeds pulling their bows and AIMING at the target.

Archery is chosen by many because it is an out-door sport with a very informal routine. However, archery requires coordination and ability to aim which isn't found in all girls. There is nothing so stimulating as the swish of the arrow as it hits the center of the target—if it does!

VOLLEY BALL

The round-robin volley ball tournament, which is one of the most exciting of all the girls' contests, was won this year by the Phi Chi Sorority. On the next page is a picture of this group which won over the other campus groups.

TAP

"Tapitty-tap-tap" greets our ears as we come upon one of Miss Tolf's tap-dancing classes. We see legs flashing . . . toes tapping . . . and heels clicking. These girls represent only a part of the dancing program of Women's Athletics. It takes fine muscular coordination to master this particular phase of dancing, but these coeds master it.

RHYTHMS

Rhythms is an entirely different phase of dancing. Rather than the fast-stepping movements of the tappers you find bodies swaying, backs bending, arms and legs moving in accord with the beat of the rhythm. Beginning with a rhythmic walk, grace of movement is developed; consequently rhythms is a highly individualistic activity.

In one of the following photographs you can see Miss Tolf, director of the department, fixing the skirt of one of our graceful dancers. This is a characteristic pose; rhythms being very dear to the heart of our director.

FOLK DANCING

Folk dancing, although not pictured, is also part of the curriculum. Here the girls participate in everything from Virginia Reels to the old fashioned square dances.

BASKETBALL

Basketball classes and tournaments come in the winter quarter. Basketball is a speedy sport in which our most vigorous coeds participate. It seems that some of the girls do not get enough exercise going from class to class so to the gym they go to work off that surplus energy and pound. Classes in basketball aren't restricted to those who plan to teach it, and the inter-house tournament provides the opportunity for any interested girl to participate.

HOCKEY

The Polar Rears' football field is also the coeds' hockey field. Many of Northern's girls participate in this vigorous field sport. At the beginning of the Fall quarter classes for instruction in the fundamentals of this activity were under the supervision of Miss Tolf. When sufficient background had been received, teams were organized and they held contests among themselves for some time. In fact only a Northern blizzard can drive them back into Taft Gym.

W.A.A. REVUE AND HIGH SCHOOL PLAY DAY

Spring rolls around and brings the time when the accomplishments of the past year in the athletic department are combined into one big show, the W.A.A. Revue. Under the direction of Miss Tolf each activity is portrayed by a novel dance routine, a rhythmic interpretation, or by a stunt. This year the Revue took the form of a night club with the dance routines as part of the floor show. The Revue is of campus-wide interest with other departments contributing talent.

Each fall W.A.A. extends invitations to over 300 high school girls to participate in a Play Day on the campus. Early in the morning of the appointed day the guests arrive and register at Taft Gym. Members of W.A.A. who are appointed as squad leaders, escort the girls to various athletic contests in the morning. At lunch time, the Play Day group who has won the most events is announced. A free admission to the football game on Northern's gridiron completes the high school groups' entertainment that afternoon.

MINOR SPORTS

The minor sports in which the W.A.A. is quite interested are tennis, ping-pong, dart-archery, and badminton. When the weather permits and the courts are in shape, tennis is a favorite pastime; when it rains or snows, the women turn to badminton, ping-pong, and dart-archery. Then, too, there is deck tennis and shuffle board for which the small gymnasium is equipped, and many of the girls become very adept at placing the counters just in the right position to make the highest score. For those girls who are not permitted to participate in vigorous exercise, yet desire to enter some form of sport, there is ping-pong, dart-archery and shuffle board. Sports demanding yet more action are deck tennis and badminton. Basketball and volley ball take up most of the time during the winter months; the minor sports, besides tennis, come in for only a very small share of the time a coed spends at the gym.

Contests in minor sports were under the direction of Genevieve Jenkins this year.

INTRAMURALS

Intramurals play a great part in the athletic activities at Ohio Northern. The two major tournaments are volley ball, held in the Fall quarter, and basketball, held in the Winter quarter. There are also tournaments for each of the lesser activities whenever the number of participants is great enough. Members of the coaching classes under the direction of Miss Tolf become quite capable of refereeing these contests and, in so doing, gain valuable experience. During the tournaments and contests the good sportsmanship of the Northern girls is commendable. The various intramural contests are managed by the head of the sport which is being played. The winning team in volley ball was the Phi Chis, but they were pushed down to second place in the basketball tournament by the Xi Betas.

As time springs along the tennis courts are scenes of numerous contests and more champions come to the fore.

INTERFRATERNITY COUNCIL

The men's Interfraternity Council acts as a connecting link between the ten Greek letter fraternities on the Northern campus. It is composed of one representative from each fraternity and meets monthly to discuss problems of campus activities and fraternity relations.

Activities this year have been providing freshmen caps, presenting the Interfraternity scholarship award, and holding the annual football banquet in honor of the varsity players.

“My friends are little lamps to me.
Their radiance warms and cheers my ways.
And all my pathway, dark and lone,
Is brightened by their rays.

I try to keep them bright by faith,
And never let them dim with doubt,
For every time I lose a friend
A little lamp goes out.’’

Just Old-Fashioned!

Not the greatest... not the largest... but **an** organization devoted to **a** principle of excellence, **For** more than three decades hundreds of yearbook editors and business managers have placed their faith in our ability to help them design, publish, and finance unusual yearbooks... Just old-fashioned in principle, but with **a** very definite flare for the best in modern publication trends!
